03:15 – 04:30	Case 3
(Depending on how groups progress a 4th scenario can be added if time permits.)	
07:00 – 08:00	Evening activity

#### *Sunday*

08:30 – 11:30	Case 5
11:30 – 12:00	Debrief and close

### Summary of Activities

After lunch on Saturday the weekend will involve working in groups of 4-5 (depending on how many people attend). Groups will have an opportunity to manage simulated incidents. These incidents are situations that could occur during bushwalking activities in SE Queensland. Management will involve: first aid, longer term patient care, summoning aid, and evacuation options.
